

### **FIRE ON THE MOUNTAIN Invite**

You are needed.

**WHAT:** Protest the “public meeting” by the Department of Energy (DOE)

**WHEN:** September 10, 2025 from 4:30-4:45 pm, just before the DOE meeting from 5-7 pm

**WHERE:** Outside SALA Event Center, 2551 Central Ave., Los Alamos, New Mexico 87544

Help us make Fire On The Mountain a threat that everyone knows about.

We’ve been informed; everyone deserves to be.

We’ve invited our mascot, **D.O.E.-zo The Clown, and The Plutonium Players** to attend and they will demonstrate how clownishly DOE handles dangerous nuclear waste.

We’ve invited the media and, if a crowd shows up, they will cover it. That will inform even more people. Remember, we need lots of **YOUs**.

The 15-minute protest is in Los Alamos from 4:30- 4:45.

DOE’s meeting will follow from 5-7.

If you can only make the protest, *come!*

Join us to tell this federal “emperor” that it has no clothes. **We need you.**
